

Log onto your Busy things and have a go at the activities set.

**Religious Education** – We will be learning about our school values – Ready , Respect and Responsible as well as our class rules Kind Hands, Kind Feet , Kind Words. We will talk about and learn the Lunch Time and Home time prayers we say throughout the whole school.

# Robins : Autumn Term 1 Overview : It's good to be me

**Possible lines of enquiry:** Learning about Ourselves, families, belonging and our senses

**Key Books this term:**

**Literacy and Phonics**  
We will practice forming letters in our name correctly as well as the sounds that we will learn this term.

**Blending** – once we learn a few sounds we will begin to blend. This is when you blend the sounds together to say the word (cat). We use a reading finger from left to right to help blend the sounds together.

We will learn these new sounds this term

s snake 	a apple 	t tent 	i insect 	p pan 
n net 	c cat 	k kit 	-ck duck 	e egg 
h hat 	r rat 	<b>Home writing task:</b> Have a go at practicing to write your name and forming the letters in your name and the new sounds as we learn them in phonics.		

**Tips for writing** - Hold a pencil effectively to form recognisable letters. Know how to form clear letters through practice. To develop pencil grasp, engage in fine motor activities. There are many ideas online

## PENCIL GRASP DEVELOPMENT

**Music – Sing Up Musical focus: Timbre, beat, pitch contour**  
We will be making up new words and actions about different emotions and feelings.  
• Exploring making sound with voices and percussion instruments to create different feelings and moods.  
• Singing with a sense of pitch, following the shape of the melody with their voices.  
• Mark the beat of the song with actions.  
• We will also be singing nursery rhymes

**Maths**  
We will be exploring numbers through counting , number recognition and representation using objects.  
We will be matching , sorting and comparing objects.

We will also learn about:  
• measure (size and capacity) and pattern  
• Numbers 1, 2 and 3  
• Circles and triangles

**Maths Home challenge**  
Log into your numbots account. Challenges will be set throughout the year.
