RET Primary Schools Science Competition 2025

The Didcot Girls School science club are launching this competition.
They will also be judging the entries.

Children are to choose one scientist from the attached list and draw a portrait in a 'Top Trump' style, and to include representative drawings of the scientist's work in the picture.

An example

Children will choose one of the scientists from this list.

[RET Primary Science Competition 2025 | Sutton Courtenay CofE Primary School](#)

Closing date
MONDAY 10TH NOVEMBER 2025

Please take your entry to your school office.
You will need to write your
full name, year group and school
on the back of your entry.
